

VICTROLA™

*everything
old
is new
again™*

The Victor Talking Machine Company was an American recording company and phonograph manufacturer that opened in 1901. It was quickly acquired by the Radio Corporation of America better known as RCA.

The actual name VICTROLA™ was first used in 1906 and is one of the most famous and iconic brands in America.

Today, VICTROLA™ branded merchandise portrays innovation, nostalgia, quality, trailblazing and true feeling of Americana.
